Sonova Institute is a virtual institute to inspire minds and promote the concept of social innovation through its two flagship programs: Asia Social Innovation Award (ASIA) and House of Social Innovators (HoSI).

### Asia Social Innovation Award (ASIA)

- **2,000+** Social innovation ideas submitted
- **20** Asian Cities participated
- **40+** Partner organizations globally

- Launched in 2008, ASIA is an annual Asia-wide award to generate innovative ideas to tackle urban social and environmental issues.
- ASIA aims to promote social entrepreneurship in Asia and provides a platform for idea-stage entrepreneurs to kick start their business through networking and expertise exchanges.

### House of Social Innovators (HoSI)

- **15** Early-stage social enterprises
- **60** Aspiring social entrepreneurs
- **100+** Mentors participated

- HoSI is a network of social enterprise award winners and aspiring social entrepreneurs based in Hong Kong.
- The program provides a year-round mentorship and acceleration program to build the capacity of early stage social enterprises.

### Other Programs

- **Sonova Share**
  - Sharing by social entrepreneurs and social innovation practitioners on their experiences and insights at local, regional and international talks and conferences.

- **Sonova Workshop**
  - Workshops held in universities and corporates to guide participants through the process of innovative thinking, and provide hands-on experience for participants to develop creative social solutions.

- **Social Leaders Program**
  - A summer internship program offered by SVhk and our portfolio social start-ups to develop the next generation of leaders in the social start-up sector.
